MAKE THE LOAN A SUCCESS

Somehow or other the impression seems to prevail that the Victory loan is not intended for the little fellows, that the hig ones and the banks will take care of all the notes so that there is no need of the rank and file

the same as they have in the past. be denied rather than the small ones. The idea that the responsibility of the individual in standing back of the country ceased when the fighting for home may be the reason why the Congressman Towner of Iowa in be- coloring is fine. as previous ones, but such is not a cation, regarding which it is arrangas previous ones, out such is not a cation, regarding which it is arrangjustified stand. The country has got ed to introduce a bill at the extra sesto meet the expense of the war, it sion of congress whenever that is callhas bills to pay and it cannot disrecard them. It will be some time before the large expenses caused by the congress to appropriate a fund of the skin should be rinsed with tapid war will end and until that time \$100,000,000 for distribution among the that time not giving, their money to the governed. And it is to be remembered that the throwing of the responsibility upon the banking houses simply means the curtailment of the credit which it is considered that the curtailment of the credit which it is a considered that the throwing of the responsibility upon the banking houses simply means the curtailment of the credit which it is considered to the standard set in others, \$15,000,000 for the train. in aiding the readjustment underway tation.

THE LUXURY TAX

most of the seekers of the meaning can well take the lead. there is no surprising revelation Luxury means just about what they The trouble lies in the way it has been interpreted in with the connection: methods of the last congress. The dictionary makers and the lawmakers

are not of the same opinion. Who in the past ever heard of the thousand and one things that are being included in the list of goods on which the luxury thx is being collected being classed as luxuries? There is nothing costly or difficult to obtain the toilet articles which the poor as well as the rich use. Clothing and the rest of the country cackle. patent medicine are certainly not luxuries in the sense that one has to be wealthy in order to acquire them. Few can twist their minds to see where tooth brushes, tooth powders, good in print. soaps and other similar articles in every household can be regarded as in-

dulgences in expensive tastes. But the fact remains nevertheles that when we buy them now we must pay a tax thereon. It is the law of course and we might as well obey

cheerfully and hope for early relief.

BOLSHEVIKI SLIPPING The end of the botshevik govern-ment in Hungary has apparently been reached, or at least is in sight, judging from the reports which come to the effect that the Rumanian king is about to enter Budapest accompanied by allied generals. Ever since Bela ed, Norwich should reach its goal if the smart box coats have their lower parts gathered to simulate a girdle. Hungarian capital it has been recog- only maintained. nized by the allies that it was nec esary to put a prompt end thereto or the Hungarian bolshevists were warn- any reference to the advertisements.

Many a poor man has been arrested directoire style and made of black satin and black straw with algrettes.

The tendency is decidedly toward make a name for himself. serious difficulties would be encount-

ed not to attempt any such program as has been carried out in Russia, Rumanian, Czecho-Slovak and French troops have been directing their attention to the settlement of the trouble that developed in that quarter and success has, as was expected, attended their efforts until it seems probable that if the bolshevists have not been driven out they soon will be, It is not improbable that it is the result of this success that warning has come to Rumania from boshevik Russia to evacuate the Russian pro-vince of Bessarabla, where a large part of the population is Rumanian and which seems likely to become Rumanian territory in the future. It may be that the bolsheviki in Russia hope to interfere with the Rumanian operations in Hungary and thereby give aid to the bolshevik government there, but from the trouble that is being experienced in the north and in the east it would appear that they were sufficiently occupied elsewhere to

riki seem to be slipping badly. THE SEASIDE SANATORIUM

cause the Rumanians much anxiety just at present. Just now the bolshe-

In connection with the action of the wer house of the general assembly regarding the seaside sanatorium which the State Tubercuosis commission has undertaken to establish in East Lyme at White Beach, it is not surprising that the Bristol Press takes the attitude it does when it says: "That was an astonishing thing for alight, the general assembly to side with a Who few selfish individuals in East Lyme against the State Tuberculosis commission which seeks to establish a seaside sanatorium for children suffering from bone tuberculosis. In the estimation of those members who supported the bill that would nullify the purchase by the commission, is the profit and pleasure of a few people for a few weeks of more account than the health and welfare of many children? By their votes they go on reord in that light. It is a most surprising acknowledgment of subserviency to the dollar, the profiteer and the pleasure seeker. They ought to be as ashamed of themselves as the

stepping forward and doing their part cottagers and other pleasure scekers Such of course couldn't be farther along that stretch of shore. What from the fact for it is desired that the seems to be regarded as a menaco from the fact for it is desired that the loan should be as thoroughly distributed among the people as possible, that all should respond to the call and with everyone helping to make it a general lending on the part of the people of the country. That the fellow who can purchase only a comparatively small amount of the notes. paratively small amount of the notes, spent much time in getting a proper or even one, shall not be crowded out location. And while little thought is by the big investors it has been pro-vided that the small subscriptions whall be given preference up to \$10,000, so that in case there is an which it has been site elsewhere, when no such attitude announced will not be received, it was ever taken regarding any of the will be the large investors who will other sanatoria. White Beach should profit from Atlantic City's example.

NATIONAL EDUCATION WORK

oan is not making as good progress half of a federal department of edu-

comes it remains for the people to states as one way of giving federal enmeet the situation either by lending, couragement and assistance in educational work, the idea being to use ment or being forced to bear heavier \$15,000,000 for Americanization efhouses simply means the curtailment ing of teachers, and \$20,000,000 for of the credit which is so necessary work in physical education and sani-

and the getting back to peace time prosperity. The Victory lean should be made the same popular success that the need of greater efforts in behalf of Americanization work will for the giving of greater attention. tion to the schools of the country, but Of course more or less thought was while the government is being urged given to the luxury tax while it was to meet the needs it should be realunder consideration at Washington, ized that there should be shown as but it is safe to say that there are states. If not entirely the states to a and sweetened.

WOMAN IN LIFE AND IN THE KITCHEN

SUGGESTIONS FOR

The Housewife

Though it gives an inferior flavor, lard makes a more tender crust than butter

With a lattice work of gray-blue beads.

An attractive dessert is different colored gelatine cream in layers in shorbert glasses.

Cold tea used on varnished floors or woodwork of any kind will give it a beautiful luster.

Try dipping liver in mlik before frying. It will fry a nice brown and will not be hard.

Curtains in any special shade are acquired by dipping serim in any commercial dye.

One-fourth teaspoonrul of soda added to boiling cabbage eastroyes any disagreeable odor.

Te be sure of unadulterated pepper

USE OLD STOCKINGS.

Anew use for old stockings is to cut a new use for old stockings in balls. If thin in places cut a little wider to make it strong. By making it quite bias and avoding the bend of the heel often the entire foot can be used. These balls will be of great service in tying up vines and plants in the garden and also in winding wreaths and in many places where string is needed. Strips cut from old silk stockings can be used as draw strings in bags. Other uses will recommend themselves. Stockings prove useful in this way, cut and wound as directed.

grinder and make it.

Tin marshmallow boxes can be covered with chintz and made into delightaful candy bexes.

A charming little bonbon basket can be made by covering a finger bowl with crochetaed rpfila:

When making mush, do not thicken it too much or tahe musr will be harsh and unpleasant to cat. Quit thickening before you think it thick enough and it will be about right.

A sheet of tin, fitted to the signal and who can be made of your gas store.

PACK AWAY CLOTHES.

Those of us who pack away winter clothing, bedding, etc., should not overlook the virtures of flower of lavender as a moth preventive. While many folks still cling to the old fashioned camphor balls for this purpose, every one knows that these preventatives leave a strong oder on all puttaway articles, and this scent sometimes remains indefinitely. Flower of kavender has a delightfully agreeable around, and compares most favorably with many well known sachets. Indeed the many well known sachets. Indeed the many well known sachets. Indeed the many one knows that these preventatives leave a strong oder on all puttaway articles, and this scent sometimes remains indefinitely. Flower of kavender has a delightfully agreeable around, and compares most favorably with many well known sachets. Indeed the many well known sachets.

and it will be about right.

A sheet of tin, fitted to the size of your gas stove placed over the top of the range will impart heat to several saucepars placed upon it at the expense of only one burner being alight.

When machining soft or the top of the range will impart heat to several saucepars placed upon it at the expense of only one burner being alight.

when machining soft or tarin ma-terial, the tension of the machine should be loosened, otherwise the fab-ric will pucker. A tighter tension is necessary for heavier and thicker ma-

them on the soft cloth.

When making eyelets in embroidery, punch the eyelet from the wrong side of the cloth through to the right side. This traws the threads to the right side, torming a sort of pedding. The shank and add to the meat in the result is a much better looking cyel-t kettle sliced onlons, carrots, turnips and polateral also little dumplings.

Season well.

In using these data
